S:U MAGIC CREME

Harnessing the power of Wild Black Bee Honey Ferment and Brown Seaweed Extract, S:U Magic Crème provides miraculous care for your entire skin.

Clinically proven to prevent the formation of wrinkles and, with regular use, reduce existing wrinkles.

Helps address dark circles, blemishes, uneven skin tone, redness, and other common skin concerns.

Offers long-lasting hydration for up to 5 days with a three-phase moisture-locking system, ensuring your skin gets the nourishment it needs.

Supports the relief of dryness, eczema, and skin cracking.

Specially formulated for face, eye area, and full-body use.

Infused with a delicate floral fragrance, leaving your skin moisturized and beautifully scented.

S:U FACIAL & EYE CREAM SPF 50

This cream features a chemical (organic) UV filter, offering effective sun protection.

Free from harmful chemicals, its soft texture not only protects your skin from the sun but also hydrates it.

Specially formulated for both face and eye area.

Wild Bee Honey Ferment in the formula helps reduce sebum production, giving your skin a matte, smooth appearance.

No white cast, residue, or sticky feeling on the skin.

Gels with body temperature and is easily absorbed by the skin.

Suitable for daily use in all seasons and can be used as a makeup base.

S:U SOLID SUN CREAM

FACE PROTECTION

SPF 30

Combining the powerful features of the S:U Sunscreen Series with the convenience of a stick format, S:U Facial Stick Sunscreen SPF 30 is easily absorbed by the skin and leaves no white residue.

High UVA protection, shielding your skin from harmful sun exposure.

Olive oil, jojoba oil, and almond oil help moisturize and care for skin that loses moisture due to the sun.

Black BeeOme and Bisabolol work together to reduce redness and irritation caused by sun exposure.

Can also be used as a primer before makeup due to its sun protection and moisturizing effects.

Non-greasy and easily absorbed into the skin, unlike traditional sunscreens.

Suitable for all seasons, whether at the beach in summer or at home in winter.

Fragrance-free, making it suitable for all skin types.

S:U SOLID PERFUME

Offering a more lasting experience with its natural fragrance derived from aromatic oils and unique essences, S:U Solid Perfume invites you to a new level of scent.

Combining the essence of aromatherapy oils with the innovation of solid perfume, S:U provides you with a harmonizing, soul-soothing experience.

With a formula free from alcohol and harsh chemicals, it is up to three times more long-lasting than alcohol-based perfumes.

Bisabolol from chamomile extract has a soothing effect and moisturizes the skin, making it safe for sensitive skin.
